The Lower 1 Rouge River Subwatershed covers approximately 62.16 square miles or 39,785 acres of the Rouge River Watershed. The Lower 1 Rouge River Subwatershed makes up about 20% of the Rouge River Watershed and is located in western Wayne County and eastern Washtenaw County. It is comprised of parts of Canton Township, Plymouth Township, Salem Township, Superior Township, Van Buren Township and Ypsilanti Township. The Lower 1 Subwatershed is currently one of the most undeveloped in the Rouge River Watershed. Over 50% of the subwatershed remains in agricultural use, forested or in streams and wetland areas. The Lower 1 Subwatershed contains many tributaries including the Johnson Creek, Felows Creek and Fowler Creek.
